

Confidex® Home

Peace of mind for homeowners

Confidex® Home is the performance guarantee for Colorcoat HPS200 Ultra® and Colorcoat Prisma®, when used as part of a standing seam roof or wall cladding system for residential dwellings in the UK and Ireland.

Backed by a direct guarantee from Tata Steel of 25 years offering you a fully comprehensive guarantee and giving you the security of direct protection from Tata Steel.

Key features

Designed to provide homeowners and builders with added peace of mind, the Confidex® Home Guarantee is one of the most comprehensive guarantees on offer for pre-finished steel when used for residential roof or wall constructions. Additionally the Guarantee is now “Solar ready” - allowing you to put clip and fix solar panels on the roof at any point in the guarantee duration (see terms and conditions).

Key features include:

- Free complimentary guarantee when using Colorcoat HPS200 Ultra® or Colorcoat Prisma® for roof and/or wall upon online registration.
- Backed by years of worldwide testing giving you confidence.
- Offered directly to the home owner.
- Transferable should the property sell within the guarantee period.
- Quick and simple online registration process.
- Proven and used in many houses, schools, football stadiums, supermarkets and retail outlets throughout the UK.
- Solar ready - allowing the home owner to put clip and fix solar panels on the roof at any point in the guarantee duration.

How to register?

Registration for the Confidex® Home Guarantee is a quick and simple process. The homeowner registers their details by filling out a short online form and reviews the full terms and conditions at www.colorcoat-online.com/confidexhome. Once their details have been verified they will receive their guarantee certificate automatically via email within 14 working days, this certificate should be retained in a safe place as it will contain the contact details for Tata Steel should they need to contact us in the event of a coating failure.
